Dear Mr. Nunnally:

This is in reference to your letter of 13 January 1972 transferring 43.776 acres of land, more or less, to the Central Intelligence Agency. The transfer includes a portion of the land declared excess by the Federal Highway Administration at the Fairbank Highway Research Station, McLean, Virginia.

Representatives of CIA will be in touch with Mr. E. H. Swick, Executive Director, Federal Highway Administration, Nassif Building, Washington, D. I will advise you upon the consummation of all necessary actions relative to CIA assuming full responsibility for these 43.776 acres.

Your assistance and cooperation throughout this entire transaction are appreciated.

Sincerely,
